Currently a Director on the Pelican Bay MSTBU Advisory Committee.

Please list your community activities and positions held:

Member of the Pelican Bay Property Owners Association Valencia @ Pelican Bay Board of Directors - President

Education:

Graduate of Rutgers-The State University (New Jersey) where I received a BA and MA in Education.

Experience / Background

I am completing my fourth year on the Pelican Bay MSTBU Advisory Committee. In that capacity I serve on three standing committees and Chair the Budget and Finance. My initial interest in this position was driven by the closing of Clam Pass in December of 2012. I joined scores of volunteers who manually attempted to keep the Pass open while our local government officials expedited permits for dredging. I was nicknamed "Digger" by a resident and urged to run for this position. I have enjoyed the work and success we have had over the past four years and hope to continue serving. Prior to retirement I was the Chief School Administrator for eleven years in a Public School District in New Jersey. This entailed developing and operating a sixteen million dollar budget supported by tax dollars. I believe this experience helps me understand the importance of public involvement and their expectations.
